

Laudator **GRAHAM DIXON**

Best European Radio Music Programme of the Year

Take a young producer, all fired up to present the music of one of the most celebrated composers of our time in a new light.

He is looking for a metaphor that may provide a window into the dense flow of minimalism that everyone can understand. Since the composer, who's career began modestly in New York City's gritty environment of the 1970's, earned a living as a taxi driver, the young producer takes his listeners on a vivid ride through the Big Apple and along the way - through interview excerpts, city sounds and music - he composes an authentic, elegant portrait.

**The PRIX EUROPA for the
