

Laudator **DR. WILLI STEUL**

Best European Radio Fiction of the Year

**We can use Radio Fiction to ask the question ‘what if?’
to think about new ways of living, in an alternative society.**

**This superb radio fiction invites us into the laboratory,
to re-invent the human condition.**

A man decides to get rid of everything he owns.

**We hear the excitement in his voice as he gets rid of his washing machine,
his furniture, his phone, his job,
even his former self.**

**With an exquisite text, note-perfect performances, and a crystal-clear
soundscape this drama allows us to escape - even for a little while - from the
pressure of materialism.**

**The winner of the PRIX EUROPA for the
„Best European Radio Fiction of the Year“ is...**
